

We provide transportation
services + technology to

REDUCE YOUR FREIGHT SPEND
INCREASE YOUR SERVICE LEVELS
IMPACT YOUR TEAM'S PRODUCTIVITY

WHAT WE OFFER

MANAGED TRANSPORTATION & CONSULTANCY SERVICES

Let us manage your transportation needs with a dedicated team of specialists and the latest technology so that you can focus on your core business. Implement our network optimization models for up to 15% in annual freight cost savings. Leverage our Freight Audit & Pay system to ensure accurate billing and avoid overcharges. Talk to us for an initial consultative approach.

SHIPPER TMS & AI OPTIMIZATION

Our modular shipping software solution:

- **Procurement:** manage RFPs and contracts, facilities, and your carrier network.
- **AI Analytics and Optimization:** leverage Loadsmart's AI for insights on efficiency.
- **Data Integration Middleware:** consolidate your data flows from several providers
- **NextGen TMS:** all modes, your carrier network plus ours, tendering scenarios, tracking and document handling.

FREIGHT BROKERAGE

Our brokerage handles FTL, LTL, PTL, Drayage, Expedited and Intermodal freight, ensuring quality service. Features include:

- Instant pricing
- Spot API Ratings into your TMS
- Dynamic Contracts that adjust to market conditions
- Booking and Tracking platform
- 24/7 support of freight specialists

DOCK & YARD SOLUTIONS

Opendock, trusted in over 3,000 warehouses, is the top dock scheduling software offering carrier scheduling, workflow tracking, and data-driven carrier performance insights.

Enhance yard and asset visibility with our computer vision software and hardware that auto-reads plates, spots damages, and tracks trailers, streamlining check-ins and inventory management.

TRUCK MANAGEMENT SOFTWARE (CARRIER TMS)

Our Carrier TMS drives profitability for carriers and private fleets through an intuitive turnkey truck management system that connects carriers to an agnostic marketplace of loads, services, factoring, and integrations.

TAILOR MADE LOGISTICS SOLUTIONS

Need a partner for your specific supply chain needs? Loadsmart has more than 600 logistics experts offering you best in class services and top notch technology to help your business with flexible and tailored solutions. Give us a call and we can discuss building a custom solution for you.
